TAKE PART IN OCTOBER 2023

INFN AT GENOA SCIENCE FESTIVAL

From Oct. 26 to Nov. 5, INFN will be present, as usual, at the [Genoa Science Festival](#) with events for schools and the public and numerous activities for children and students.

Lectures

**Oct. 30, 9 p.m., Palazzo Ducale, Sala del
Maggior Consiglio**

NINE TIMES SEVEN

Conference show with Michela Milano, director ALMA-AI Research Institute on Human-Centric Artificial Intelligence dell'Università di Bologna, Antonio Zoccoli, president of INFN and ICSC, reading by Bianca Mastromonaco, digital art by Limiteazero

[Learn more](#)

Nov. 1, 9 p.m., Palazzo Ducale, Sala del Maggior Consiglio

THE FUTURE UNDER THE MOUNTAIN. THE TELESCOPE IN THE MINE AND SARDINIA

Conference show curated by EGO with Massimo Carpinelli, EGO e INFN e Università di Milano Bicocca, Marcello Fois, writer, Diana Höbel, actress, moderated by Edwige Pezzulli, INAF

[Learn more](#)

Exhibitions and installations

Oct. 26-Nov. 5, Palazzo Rosso, Musei di Strada Nuova

FOOTPRINTS REVEALED. SCIENTISTS IN SEARCH OF THE INVISIBLE

Exhibition curated by INFN ScienzaPerTutti

[Learn more](#)

Oct. 26-Nov. 5, Palazzo Ducale, Portico

COLLISIONS

Interactive installation curated by INFN

[Learn more](#)

Workshops

Oct. 26-Nov. 5, Edmondo De Amicis International Children's Library Magazzini del Cotone, Form 1, 2nd floor - Old Port Area

FROM MARBLES TO WONDERS. KNOWING ATOMS WITHOUT SEEING THEM

Workshop for elementary school by INFN

[Learn more](#)

Oct. 26-Nov. 5, Palazzo della Borsa, Sala delle Grida

CHALLENGE TO THE LAST COLLISION. ARTIFICIAL INTELLIGENCE TO STUDY LHC PARTICLES

Workshop for high school by INFN

[Learn more](#)

Oct. 26-Nov. 5, Palazzo Ducale, Sala Liguria

HUNTING FOR GRAVITY'S FOOTPRINTS. THE SEARCH FOR GRAVITATIONAL WAVES

Workshop for middle and high schools by INFN and VIRGO

[Learn more](#)

Oct. 26-Nov. 3, weekdays 9 a.m.-4 p.m., Genoa Blue District

WHO HID THE TREASURE IN THE DEEP? THIEF HUNT AMONG NEUTRINOS AND CETACEANS

Workshop for elementary, middle and high school students by INFN Genoa Section, Department of Physics, University of Genoa, Menkab Association: the breath of the sea

[Learn more](#)

Oct. 27, 9 a.m. - 1 p.m., Palazzo Ducale, Società Ligure di Storia Patria

GRANSASSO VIDEOGAME. DISCOVER PHYSICS IN PIXEL SHOTS

Workshop for high schools by INFN LNGS

[Learn more](#)

Oct. 31, 3:30 p.m., Palazzo Ducale, Società Ligure di Storia Patria

HANDS-ON PHYSICS

Presentation aimed at middle school teachers of the HOP project by INFN

[Learn more](#)

Other events

Nov. 1, 3 p.m., Biblioteca Universitaria di Genova

FROM VIA PANISPERNA TO CERN AND ESA. EDOARDO AMALDI AND SCIENCE WITHOUT BOUNDARIES

Documentary by INFN and SISFA

[Learn more](#)

Nov. 3, 11 a.m., Palazzo Ducale, Sala del Maggior Consiglio

BLUE GOLD. WATER PROTAGONIST OF THE ASIMOV 2023 PRIZE

Meeting with Edoardo Borgomeo, Silvano Fuso, Giovanni Gallucci, curated by INFN ASIMOV Prize

[Learn more](#)

LUCCA COMICS AND GAMES

November 1-5, Lucca

The [INFN Kids](#) project is participating in [Lucca Comics-&-Games](#) again this year with a booth and two workshop activities for young children.

Nov. 2, 12-12:30 p.m.

Piacere, Galileo

[Learn more](#)

Nov. 5, 4:30-5 p.m.

Milleluci, Millecolori

[Learn more](#)

HEPSCAPE! A FOCUS LIVE

Nov. 3-5, Milan, Italy

On Nov. 3, 4 and 5, the Leonardo da Vinci National Museum of Science and Technology in Milan will feature HEPscape! to engage children and adults in the mystery of the search for elementary particles. The activity is curated by INFN Perugia and INFN Milano Bicocca.

INFN AT CAGLIARI FESTIVALSCIENZA

Nov. 9-14, Cagliari

INFN is participating again this year in the [Cagliari FestivalScienza](#) with panel discussions and events for schools.

[Learn more](#)

11 November at 6 pm, Fondazione Banco di Sardegna Conference room

NON ESTI SCETI UNA MELA CHI NDI ARRUIDIISTORIA DE SA FORZA DE GRAVIDATI DE NEWTON FINZAS A EINSTEIN

Lecture by Mariano Cadoni, University and INFN Cagliari

11 November, 4 pm, Fondazione Banco di Sardegna Conference room

S'UNIVERSU A BOLU. CONTIXEDDUS PO PITICUS E MANNUS PO SCOBERRI SU MUNDO DE SA FÌSICA DE OI

Book presentation with Matteo Tuveri, University and INFN Cagliari, moderated by Arianna Steri, University and INFN Cagliari

12 November 10 a.m. EXMA Conference room

SCIENCE IN MOTION - EINSTEIN TELESCOPE A RESOURCE FOR PROGRESS AND DEVELOPMENT

Round table with Alessandro Cardini, Director of INFN Cagliari, Maria Teresa Melis, University of Cagliari, Pia Astone Physics, INFN Rome, Domenico D'Urso, University of Sassari, Giorgio Querzoli, Legambiente, moderated by Matteo Serra, INFN, science journalist.

21 November, Istituto di istruzione superiore Luigi Einaudi Senorbì

THE UNIVERSE IN MOTION: PRESENT, PAST AND FUTURE OF MATTER-ANTIMATTER ASYMMETRY

Seminar organised by Francesca Dordei, INFN Cagliari

INFN AT FUTURO REMOTO

Nov. 21-26, Naples, Città della Scienza

This year INFN is participating in the [Futuro Remoto festival](#) with many initiatives for schools and the public.

[Find out the full program of the festival](#)

Lectures

Nov. 21, 11:45 a.m.

DISCOVERING THE CTAO-CHERENKOV TELESCOPE ARRAY, THE LARGEST GAMMA-RAY OBSERVATORY!

Conference with Carla Aramo, INFN Naples, Alba Fernández Barral, CTAO, Roberta Zanin, CTAO, Anna Wolter, INAF - OAB

Nov. 23, 11 a.m., Newton Room

FUTURE MINDS. AI AND SUPERCOMPUTING TO INTERPRET REALITY.

Lecture show with Michela Milano, director of ALMA-AI Research Institute on Human-Centric Artificial Intelligence at the University of Bologna, and Tommaso Boccali, researcher INFN Section of Pisa, illustrations by Filippo Paparelli, BecomingX Art&Sound Collective

Workshops and games

Nov. 21-22-23, 9 a.m. to 2 p.m.

QUESTION OF METHOD

Workshop curated by Salvatore Esposito, SISFA, UniNa, INFN Naples

Nov. 21-26, 9:30 a.m.

HEPSCAPE!

Escape room curated by Pia Astone, Francesca Cavallari, Chiara Rovelli, Livia Soffi, INFN Rome
